GTA 5 in one save file. It's the HD version of the GTA 5 save file. It's made to be a 941GB file size so that no new file will be downloaded. (A good thing for PS3. Btw, you can see the files from your PC on your PS3 if you have a way to upload them.

XBox 360 games can be downloaded in ISO format on the console using the xbox360 iso tool that is included with the "ultimate" edition. GTA 5 save in iso formats seems impossible. The game is too big for me to upload, plus it would take a week or two to download, the time needed to download a game in iso format. You can see the files on your PC, but how can you upload them on your PS3? PS4? MULTI GAME SAVE IN ISOS FOR GTA 5 YT CHANNEL Contents of multi-game save in iso file for GTA 5. It is over 33GB in size. It has the game and the isos of various game packs of GTA 5 that you can play in any other PC. The multi-game save in iso file of GTA 5 has over multi-games, games, movies, music, etc in the save file. You can find out where they are in the save file in the list below. You can delete the games that you don't want from the save. You can edit the list and sort it in the order you want. How to make a GTA 5 save file on PS3 - First of all, check your PSN and copy the ID to the PSN website. Search your ID here first. After you have copied the ID, go to the ENABLED section of the PSN section on the PS3. Right now you may see three items like this: What you need to do is to select Download ID and Sign in at a later date. After that you will see the ID that you copied. Select the Save a new ID. It is important to make a new ID because you need to download the game again with a new ID. Copy the ID to the website and paste it here. Do not miss out the type 3. After you do that, you will get the screen shown below: Click on the three dots on the right. You will now 82157476af
