## Graphic Designer

**Project:** Develop keyart for the standard edition with the Product Manager and Agency. Take created assets and develop new keyart for the steelbook special edition.

**Goal:** Visually communicate the game's featured new cast of characters in a multi-player system along with a classic Resident Evil enemy.

**Challenge:** Using existing art to create a different and stark black, white and red layout for use on a steelbook case.

Resident Evil: Operation Raccoon City - CAPCOM
