Your classroom Tuesday (Day1) - morning 0/13

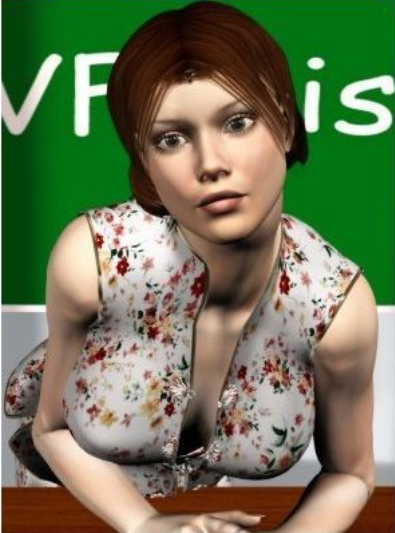

Your eyes fix on Miss Holloway's shapely figure, and your mind begins to wander...

Miss Holloway has just asked you what was distracting you so much during her class.

"Uhm...nothing!" you respond.

She chuckles softly. "Surely you don't expect me to believe that, do you Frank?" she purrs. She moves around in front of your desk. "I see you looking at me. I can almost feel you undressing me with your eyes."

She places her hands on the desk, leaning over it so that her impressive bosom sways tantalizingly before you. You gulp as you notice her nipples pressing strongly against her dress, seeming as if they will almost poke through the fabric. You look up to see her gazing at you, her eyes blazing. Her lips curl into a sexy smile.

"You like my tits, don't you?" she asks you softly.
